

## Some Online Games Suggestions

All games listed are free and require minimal effort to begin playing. Some of these may play similarly to the games you're already familiar with, but might look slightly different. We encourage each host and player to discern for themselves the suitability of the game they choose to play.

## SOCIAL DEDUCTION GAMES

1. Avalon (5-10):
  - a. <https://netgames.io/games/avalon/>
  - b. <https://avalon.fun/>
  - c. <https://avalongame.online/>
2. One-Night Werewolf (4+):
  - a. <https://netgames.io/games/onu-werewolf/>

b. <https://werewolv.es/>

#### “ESCAPE ROOM”-STYLE GAMES

- Alone Together: <https://www.enchambered.com/puzzles/alone-together/> (needs two groups or two players on different screens - will need to be able to play and solve own pieces of the puzzle before completing the room as a whole)
- Enigma Emporium: Wish You Were Here: <https://www.theenigmaemporium.com/playfree> (a computer needs to host; can do it without printing cards, but it might be easier printed)
